

European-Styled Tableware

The Pyroceram® Celebrations™ Collection offers a wide range of table top selections. The Milano pattern, shown here, is inspired by European and Italian influences. Collection includes seven designs to choose from: Milano, Prestige, Lucerne, Lucerne Gold and Festiva. For details, call 800-5-CORNING.

Carving Station

Hatco's Glo-Ray® Carving Station is an ideal attachment to extend food holding times during serving periods. This adjustable height station features ceramic heating elements on top with the option of heat in the base. Independent controls define the temperature settings for the top and bottom heat. The height can be adjusted to provide a clearance of 17" up to 25". The carving station has incandescent display lights and a breath protector on the right side to protect the work area. **Circle 206**

Hamburger Cooker

The Instant Burger automatically cooks two burgers, chicken filets, sausage patties or several hot dogs in 25 seconds. Normally no hood or venting is needed because no grease or smoke is emitted into the air. Temperature throughout the meat reaches 180°. The automatic doneness control assures a consistent product, and requires no cooking skills. Call Smokaroma at 800-331-5565 for details.

Merchandising Carts

The Star Cafe Espresso Cart is built to NSF standards and is constructed of welded tubular steel frame and stainless steel. The standard cart is 5'10" long and comes complete with 2 compart-

ment sink, fresh and waste water system. The electrical system is overcurrent protected, 125, 250 volt consisting of one 20 amp, 250 volt circuit and two 20 amp 125 volt circuits. For more information about optional equipment and custom graphics, **circle 212**
